ORGANIZATION PROFILE:

KNOW ABOUT US

CYBER GURU is a unique online institution for education and consultancy, which is the first of its kind in eastern and north eastern India to promote Cyber-Legal Education, Real Life Training, Consultation and Counselling on Cyber Crimes and its Legal Issues Now Government is also thinking of incorporating this subject compulsorily in the high school and college level curriculum.

CYBER GURU and its academic programs are authorised and affiliated by Computer Society of India.

Our methods of education has found wide acceptance in highly efficient Police Academies, Training Schools, Banks, Educational Institutions and Corporate Houses.

Our basic moto is to sensitise and educate every netizen about the issues and aspects of Cyber Crimes, Cyber Laws and Security measures.

Our vision is to minimize and even eradicate these types of crimes from the society which is only possible with the sensitisation of common people.

We also provide the following services both in online and offline mode

- **CYBER-LEGAL CONSULTATION AND SUPPORT**
- **CYBER-LEGAL AUDIT (DEVICE BASED OR ORGANIZATION BASED)**
- **SEMINARS / WORKSHOPS / MASS EDUCATION**
